

User Manual

- 1. You **must** have **internet access**.
- 2. Double click on the “index.html” file.
- 3. You will now be redirected to your web browser showing our PolSci Page.

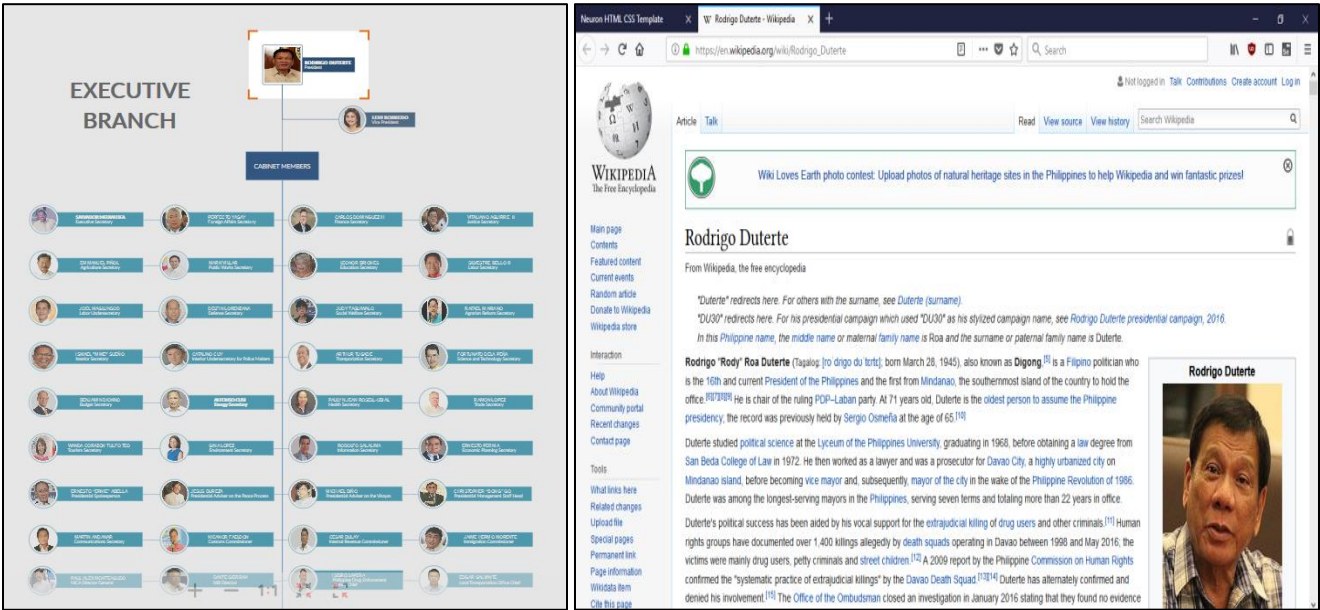

- 4. You will now see charts with this format:

The icon starting from left to right are (1) Link: associated links in the chart, (2) Zoom In, (3) Zoom Out, (4) Actual Size, (5) Fit to Screen, and (6) Full Screen.

- 5. When you click full screen, you should be able to click each person and be directed to his/her biography as shown below. (Note: not all of them have links since some have no online biography available)

If problem persists regarding to links, just click on the link icon to show all links related to the chart.

- 6. Enjoy the rest of the page! :D
